1 of 1 review helpful great writing I believe you will enjoy By Digitime I ve just recently discovered Michael Chabon very insightful hugely hilarious great writing I believe you will enjoy 1 of 1 review helpful A 21st Century Man By Timothy Haugh Anyone who reads Details magazine will recognize many of the essays in this collection as they first appeared there ldquo Chabon has always been a magical prose stylist adept at combining the sort of social and emotional detail found in Philip Roth rsquo s Goodbye Columbus stories with the metaphor rich descriptions of John Updike and John Irving rsquo s inventive sleight of hand As in his novels he shifts gears easily between the comic and the melancholy the whimsical and the serious demonstrating once again his ability to write about the big subjects of love From Publishers Weekly An entertaining omnibus of opinionated essays previously published mostly in Details magazine spotlights novelist Chabon s The Yiddish Policemen s Union model of being an attentive honest father and a fairly observant Jew
