American Generation:

1 of 1 review helpful not original By customer "The Other Serious Essays for the New American Generation" echoes in many respects Italo Calvino's "Six Memos for the Next Millennium" the genre the intended audience and the concern with the edification of our culture especially that of the youth are similar in both works Such similarity does not have to be a bad thing but it does raise questions An original collection of incandescent cultural criticism both experimental and personal full of pragmatic advice for how to live a considered joyful existence in our era of screen living and hipster irony by a Gen X Princeton professor and contributor to The New York Times The essays in The Other Serious examine the signature phenomena of our moment the way our lives contradict themselves how exaggeration and excess seep into our collective "Like having a late night talk with a good advice ready friend" It will compel you to look at your own behaviors "Chicago Tribune" Few essay collections are as experimental personal or full of pragmatic advice
