classics and childrens books A Literary Review (Penguin Classics):

17 of 17 review helpful A view of literature society and personhood By A P I m possibly not the most qualified person to review this but since there are no other reviews I ll just give a quick endorsement This volume is the same that is published by Princeton as The Two Ages and the final chapter has been published seperately as The Present Age The first half gives some interesting views of literatu While ostensibly commenting on the work of a contemporary novelist Kierkegaard used this review as a critique of his society and age The influence of this short piece has been far reaching The apocalyptic final sections are the source for central notions in Heidegger s Being and Time Later readers have seized on the essay as a prophetic analysis of our own time Its concepts have been drawn into current debates on identity addiction and social conformity About the Author S cent ren Kierkegaard nbsp 1813 55 was born in Copenhagen the youngest of seven children His childhood was unhappy clouded by the religious fervour of his father and the death of his mother his sisters and two brothers Educated a
