Classics):

5 of 5 review helpful Much more than a mere English Luther By David Teems Astounding work by this pioneer architect and visionary of our English language Tyndale had a great ear and this is perhaps his best and most exemplary non translation text I was tempted to give it a four star rating but only because of slight formatting issues with Kindle However these issues were negligible considering the treasure this work One of the key foundation books of the English Reformation The Obedience of a Christian Man 1528 makes a radical challenge to the established order of the all powerful Church of its time Himself a priest Tyndale boldly claims that there is just one social structure created by God to which all must be obedient without the intervention of the rule of the Pope He argues that Christians cannot be saved simply by performing ceremonies or by hearing the Scriptures in La com The Obedience of a Christian Man by William Tyndale a principal translator of the King James Bible was published in 1528 three years after the first publication of his English translation of the New Testament Obedience defends the basic
