By Menon Nivedita : Seeing Like a Feminist first of all i discover some interesting facts that i never really knew or had forgotten like the fact that mary kay letourneau was already married with four kids click to return to ethics resources feminist ethics feminist ethics is an attempt to revise reformulate or rethink those aspects of traditional western ethics Seeing Like a Feminist:

4 of 8 review helpful Fantastic overview of Indian feminisms By ranilal This book straddles the worlds of academia and popular reading and is for that very reason such a fantastic read Menon knows her stuff and although I personally do not like the exclamation marks and little asides in footnotes these are very minor criticisms of what is otherwise a

rarity a work of scholarly integrity that is nevertheless accessible a A bold and wide ranging book that re orders contemporary society For Nivedita Menon feminism is not about a moment of final triumph over patriarchy but about the gradual transformation of the social field so decisively that old markers shift forever From sexual harassment charges against international figures to the challenge that caste politics poses to feminism from feminist dilemmas regarding commercial surrogacy to the Shah Bano case from queer politics About the Author Nivedita Menon teaches Political Thought at Jawaharlal Nehru University Delhi Her previous books include Recovering Subversion Feminist Politics Beyond the Law an edited volume Sexualities 2007 and Power and Contestation India after 1989
