American Magazine Writing 2015:

0 of 1 review helpful I am pretty sure that these essays were not the best By LikaD Entertaining to a degree I am pretty sure that these essays were not the best I definitely read magazine articles which were much better than these I would not call this book the best american magazine writing but trendy magazine writing The second article was probably the worst the author sounded too immature Would not recommend This year s Best American Magazine Writing features articles on politics culture sports sex race celebrity and more Selections include Ta Nehisi Coates s intensely debated The Case For Reparations The Atlantic and Monica Lewinsky s reflections on the public humiliation complex and how the rules of the game have and have not changed Vanity Fair Amanda Hess recounts her chilling encounter with Internet sexual harassment Pacific Standard Beginning with Ta nehisi Coates brilliant essay on reparations and ending with a poignant New Yorker piece this collection lets you be in the know without having to scramble through endless material Campus Circle About
