0 of 0 review helpful Unexpected Gem By J Chum An engrossing read through and through 3 of 3 review helpful What a surprise By Ellen C Lee I wasn't sure I'd be all that interested in this book I had thought it would be about football soccer to Knausgaard and all Europeans But as I began to read it I discovered that in the correspondence between these two close friends Two world class writers reveal themselves to be the ultimate soccer fans in these collected letters Karl Ove Knausgaard is sitting at home in Skarvingene with his wife four small children and dog He is watching soccer on TV and falls asleep in front of the set He likes 0 0 draws cigarettes coffee and Argentina Fredrik Ekelund is away in Brazil where he plays soccer on the beach and watches matches with others Ekelund loves games that end "For whom these letters resonate the effect is powerful and cascading a pleasing waterfall of imagery and intellect Though the correspondence is mostly about soccer it is also about so much more" — Kirkus stars
