and Some Uncategorized Extras:

5 of 5 review helpful a delightful and thought provoking compilation By raindrops I first saw this book at the local library Due to its thickness and weight I was going to just look up the articles on my favorite dancer read them on the spot and not even bother checking the book out and lugging it home with me However the articles were so captivating that I ended up checking the book out so that I could take my time Robert Gottlieb rsquo s immense sampling of the dance literature ndash by far the largest such project ever attempted ndash is both inclusive to the extent that inclusivity is possible when dealing with so vast a field and personal the result of decades of reading It limits itself of material within the experience of today rsquo s general readers avoiding for instance academic historical writing and treatises on technique its earliest subjects are those ni From Publishers Weekly Former Knopf and New Yorker editor in chief Gottlieb offers a wonderfully idiosyncratic collection of dance writings in one massive yet cohesive tome organized into chapters on major choreographers from Bournonville to Paul Taylor
