Knitting Pearls: Writers Writing About Knitting:

8 of 8 review helpful Why no descriptions of the included patterns By Janet F Guerrin I love the essays But what is the point of the directions for projects that are completely undefined I guess if they were described somehow I would be interested in reading directions to figure out details but basically they need illustration to tempt me If that would have been too costly why not put thumbnail sketches on the dust jacket Engaging tangled stories of family relationships expectations and traditions compelling regardless of the reader's experience with the craft Portland Press Herald In Knitting Pearls two dozen writers write about the transformative and healing powers of knitting Lily King remembers the year her family lived in Italy and a knitted hat that helped her daughter adjust to her new home Laura Lipkin This collection patterns included helps explain why knitting is so often the life sport of the literary set It includes a top flight list of contributors including Maile Meloy Dani Shapiro Diana Gabaldon Jane Hamilton and fiber ro
