word of the day Nothing to Be Frightened Of:

0 of 0 review helpful Hamlet Was There First By Kathryn Hannan Rohan Anyone who takes on a downbeat subject like death has to be given credit for his courage facing the marketplace Yet many book buyers can identify with the author an agnostic with nothing to face The End but maybe a shot of whiskey and the dim memory of lost religious faith The strength of the book is its resurrection of famous writers and philosopher NATIONAL BESTSELLER NEW YORK TIMES BEST BOOK OF THE YEAR A memoir on mortality as only Julian Barnes can write it one that touches on faith and science and family as well as a rich array of exemplary figures who over the centuries have confronted the same questions he now poses about the most basic fact of life its inevitable extinction If the fear of death is "the most rational thing in the world" how does one contend with it An ath From Publishers Weekly Starred In this virtuosic memoir Barnes Arthur George makes little mention of his personal or professional life allowing his audience very limited ingress into his philosophical musings on mortality But like Alice tumbling
