more about went and paris The Cat Who Went to Paris:

2 of 2 review helpful A bit heavy on the chutzpah By Jim Murtha Author of The Adventures of Kalamazoo The book could be titled "Travels with Norton" the endearing Scottish Fold cat that accompanies his owner everywhere whether padding a few steps behind as the narrator walks to the market on Fire Island or curled up in a shoulder bag jetting across the Atlantic Gethers a self-described Jack of all trades Norton is clearly a charmer and Gethers tells his story with contagious affection Will warm the heart of any confirmed cat lover THE WASHINGTON POST BOOK WORLD Before Peter Gethers met Norton the publisher screenwriter and author was a confirmed cat hater Then everything changed Peter opened his heart to the Scottish Fold kitten and their adventures to Paris Fire Island and in the subways of Manhattan took on the color of legend and mutual love THE C From Publishers Weekly Gethers was an ailurophobe until he met kitten Norton who turned out to be a very special pet indeed A BOMC selection in cloth Illustrated Copyright 1992 Reed Business Information Inc From School Librarian
