**By Sarah Orne Jewett : The Country of the Pointed Firs and Other Stories (Signet Classics)** The Country of the Pointed Firs and Other Stories (Signet Classics):

0 of 0 review helpful Truly a refreshing short read By Allan H Clark This book offers a unique portrait of life in a New England village during one summer in the late nineteenth century Jewett s canvas is small and within its frame you will find no great events nor even the vestige of a plot but the resulting story is satisfying and the characters endearing The writing flows smoothly and evenly over the events of littl A writer comes one summer to Dunnet Landing a Maine seacoast town where she follows the lonely inhabitants of once prosperous coastal towns Here lives are molded by the long Maine winters rock filled fields and strong resourceful women Immense mdash it is the very life mdash Rudyard Kipling From the Back Cover Willa Cather s assessment of The Country of the Pointed Firs has done much to ensure a growing recognition of its qualities In this novella
