0 of 0 review helpful Five Stars By Customer This book was what my daughter needed for her 7th grade class 1 of 1 review helpful A nice little volume By Bill Here you will find collected a nice little edition of good essays It is exactly what it says it is It is a Dover edition so you ought to expect a cheaper and flimsier copy but it is thick and in my opinion s This collection spanning four centuries of English wit wisdom and common sense contains the thoughts of a number of renowned masters of the essay From Francis Bacon the English author who reputedly imported the genre from France to literary critic mystery writer and social commentator G. K. Chesterton more than twenty writers express their views on such subjects as walking writing traveling sleeping pets friends and childhood Included among the 1 About the Author Bob Blaisdell is professor of English at the City University of New York s Kingsborough Community College and the editor of twenty two Dover literature and poetry collections
