67 of 72 review helpful Only thing missing is the rim shot By Chaya This isn t so much a book as a series of one liners from one of the funniest stand up comedians ever I ve loved Joan Rivers s humor since her early appearances on Johnny Carson and this book reads like vintage Joan I laughed so hard I scared the cat out of bed and usually the only thing that can do that is a needed trip to the litter box or if I m luck ldquo An entertaining rant hellip The only thing missing is the sound of a drumroll and cymbals to feel as though one is sitting in a nightclub watching a live comedy marathon hellip A raucous biting look at life rdquo mdash Kirkus Reviews nbsp ldquo Nobody but nobody can hate like Joan Rivers It is a gift It is also shocking the things she makes us laugh at hellip Joan Rivers is extraordinary but she s not for the easily offe Praise for I Hate Everyone Starting with Me ldquo More punch lines per paragraph than any book I rsquo ve read in years rdquo mdash The New York Times nbsp ldquo Often hilarious often shocking totally politically incorrect rd
