By Charles Olson : Collected Prose during his lifetime robert frost notoriously resisted collecting his prose going so far as to halt the publication of one prepared compilation and to lose the the prose writings of charles olson 1910 1970 have had a far reaching and continuing impact on post world war ii american poetics olsons theories which made Collected Prose:

1 of 1 review helpful Half a book By R Herz Agree with Irish big mistake to lose the punctuation and spacing As big as it would be with Cummings or Williams I was surprised at Ishmael the power comes from watching the mind work out issues on the page shown in the rhetoric and the spacing syntax Good to have the arguments annoying to miss the power and intent This is alas only half a book 13 of 13 r The prose writings of Charles Olson 1910 ndash 1970 have had a far reaching and continuing impact on post World War II American poetics Olson s theories which made explicit the principles of his own poetics and those of the Black Mountain poets were instrumental in defining the sense of the postmodern in poetry and form the basis of most postwar free verse The Collected Prose brings together in one volume the works published for the most part bet From Library Journal Poet and critic Olson wrote in a muscular style one as individualistic as it is exasperating Yet his writings changed the way literature is written and read his essay Projective Verse gives a name to the poetry written by cummings Poun
