0 of 0 review helpful Review By JBWodehousian Though I like the idea of this book I sadly felt I could not agree with several of the opinions stated I feel that Sense and Sensibility 1995 as well as Persuasion 1995 are accurate representations of the novels and are true gifts to the world 6 of 7 review helpful Easy to read easy to recommend By Dedicated Reader E In 1995 and 1996 six film or television adaptations of Jane Austen s novels were produced an unprecedented number More amazing all were critical and or box office successes What accounts for this explosion of interest Much of the appeal of these films lies in our nostalgic desire at the end of the millennium for an age of greater politeness and sexual reticence Austen s ridicule of deceit and pretentiousness also appeals to our fin de si egrave cle sensibilities
