By Barbara Hurd : Listening to the Savage: River Notes and Half-Heard Melodies (Wormsloe Foundation Nature Book) Listening to the Savage: River Notes and Half-Heard Melodies (Wormsloe Foundation Nature Book):

Barbara Hurd rsquo s Listening to the Savage weaves rich explorations of science history mythology literature and music The listening of the book delineates and champions a kind of attentiveness to what is not easily heard and is written in language that is as precise as it is poetic providing original ways of engagement in the natural world As in Hurd rsquo s other books the previously unknown or the barely known become less mysterious but still r Listening to the Savage is a lovely and varied mix of the personal and environmental The questions with which Hurd grapples could not be more urgent on both a personal and societal level The reader emerges having completed an interesting journey with
