By Jonathan Franzen : Farther Away: Essays we would like to show you a description here but the site wont allow us I celebrate myself and sing myself and what I assume you shall assume for every atom belonging to me as good belongs to you I loaf and invite my soul Farther Away: Essays:

1 of 1 review helpful These essays might be too smart to handle am blissfully recovering from the encounter By karen

jenkins OMG possibly the smartest essay work I've ever read in the English language possible exception David Rakoff but Franzen's voice might be considered more delicate humor not quite as omnipresent but hardly absent I stumbled over the title essay Farther Away in an old New Yorker from 2010's In this incisive collection of speeches and essays Jonathan Franzen returns with renewed vigor to the themes both human and literary that have long preoccupied him Whether recalling his violent encounter with bird poachers in Cyprus examining his feelings about the suicide of his friend and rival David Foster Wallace or offering a moving and witty take on the ways that technology has changed how people express their love these pieces deliver on Franzen's implicit "Smart incisive prose that finds deeper societal meaning in almost anything" USA Today "Franzen's writing has an unshowy almost egoless perfection" Lev Grossman Time "Gorgeous essays" Los A
