of print A Shelf of Old Books (Classic Reprint):

Excerpt from A Shelf of Old Books There is a sacredness about the belongings of good and great men which is quite apart from the value and significance of the things themselves Their books become especially endeared to us as we turn the pages they have loved we can see another hand pointing along the lines another head bending over the open volume A writer s books make his work shop and his pleasure house in one and in turning over his possessions we discover
