From Broadview Press : The Broadview Anthology of Expository Prose - Third Edition The Broadview Anthology of Expository Prose - Third Edition:

The third edition of this anthology has been substantially revised and updated for a contemporary American audience a

selection of classic essays from earlier eras has been retained but the emphasis is very much on twenty first century expository writing Works of different lengths and levels of difficulty are represented as are narrative descriptive and persuasive essays and new to this edition lyric essays For the new edition there are also considerably mor Comments on previous editions lquo My students rsquo responses to the readings have sparked meaningful and productive conversations about culture education and our ways of viewing the world To my delight at the end of a typical meeti
