**By Thomas Quackenbush : Relearning to See: Improve Your Eyesight Naturally!** contrary to popular belief your vision doesnt have to decline over time with regular exercise of the muscles that control your eye movements and visual acuity you improve the clarity of eyesight to 2020 and clearer at all distances close and far with; the bates method of natural eyesight improvement discovered and Relearning to See: Improve Your Eyesight Naturally!:

12 of 12 review helpful Eye Doctor says vision is getting bad because you are getting older WRONG By Mswalleeye  
Last visit to my eye doctor he is trying to push me into stronger lenses yet I can see 20 20 with my old prescription He

wants me in bifocals no I hate reading through lenses I wanted contacts and he pushed bifocals ones on me I said no I won't wear them I took them as he refused to fit me for the s In this accessible presentation of the famous Bates method Thomas R Quackenbush who teaches the Bates method in California and Oregon describes how eyesight can improve naturally at any age and regardless of heredity This book is a wonderful tribute to the genius of Dr Bates who was a pioneer in discovering how vision becomes blurred and how it restores itself naturally to clarity and acuity Now 80 years later his findings and teachings remain light years ahead Relearning to See is a very impressive text outstrips all its predecessors Most complete text that we've ever seen on natural vision improvement For anyone seeking to improve their eyesight without drugs surgery or prescription lenses For anyo
