wave of what literary critic kenneth Shelf Life: Literary Essays and Reviews:

In this collection of essays and reviews William H Pritchard focuses on the work of English and American writers most of them from the twentieth century At a time when English studies in the academy seems increasingly impelled by historical and political concerns Pritchard s aim is to reinstate the aesthetic as the major motive for literary study Indeed study may be the wrong word for it as the poet Philip Larkin made forcefully evident when he once snapped at a In Representative Men Emerson called Shakespeare the poet and Goethe the writer Well William Pritchard is the reader No one alive has a better feel for the twists and turns of a sentence on the page or the subtle pleasures to be derived ther
