By H. L. Mencken : H. L. Mencken: Prejudices: The Complete Series (Library of America) the scopes trial formally known as the state of tennessee v john thomas scopes and commonly referred to as the scopes monkey trial was an american legal case in the official blog for project gutenber with news the latest ebook releases and other information about digital publishing H. L. Mencken: Prejudices: The Complete Series (Library of America):

13 of 13 review helpful Too much neglected author By P R Munro I bought these volumes for a friend and ended up reading almost all of both for myself as we passed them between us Mencken is a writer whom I had heard mentioned regularly but took him to be more a dated source of witticism than a lasting voice to be heard with respect These essays and pieces give a fascinating insight into the US political and literary sc Few writers roiled the American

cultural scene like Henry Louis Mencken Pathbreaking journalist trenchant social observer and unbridled humorist Mencken was the most provocative and influential cultural critic of the last century To read him today is to be plunged into an era whose culture wars were easily as ferocious as our own in the company of a writer of boundless curiosity and vivacious frankness In the six volumes of Prejudices published between 1919 About the Author Henry Louis Mencken 1880 1956 the Sage of Baltimore was nbsp the most provocative and influential journalist and cultural critic in twentieth century America
