From Bucknell University Press : Eighteenth-Century Poetry and the Rise of the Novel Reconsidered (Transits: Literature, Thought & Culture, 1650–1850)

Eighteenth-Century Poetry and the Rise of the Novel Reconsidered (Transits: Literature, Thought & Culture, 1650–1850):

Eighteenth Century Poetry and the Rise of the Novel Reconsidered begins with the brute fact that poetry jostled up alongside novels in the bookstalls of eighteenth century England Indeed by exploring There is no shortage of scholarship on 18th century fiction and criticism of 18th century verse is not far behind For the most part though these are separate fields of study and until now only G Gabrielle Starr s
