3 of 3 review helpful Tribute to the master By H E Harris Charles Chesnutt was one of the great storytellers of our literary landscape In addition to brilliantly written short stories this edition features two of his novels both of which are great works History is interwoven with fiction in Chesnutt s works The Marrow of Tradition is a masterpiece fictionalizing actual historical events surrounding the 1898 raci Rejecting his era s genteel hypocrisy about

miscegenation lynching and passing Charles W Chesnutt broke new ground in American literature with his innovative explorations of racial identity and use of African American speech and folklore Chesnutt exposed the deformed logic of the Jim Crow system creating in the process the modern African American novel Here is the best of Chesnutt s fiction and nonfiction in the largest and most comprehensive edition eve From Library Journal Chesnutt is credited with being the first author to develop African American characters in stories and novels of literary worth through the use of authentic speech and folklore This volume collects his best known works including a few
