By Albert Einstein : The World As I See It the theme of the world health day 2017 is depression lets talk world

humanitarian day is a global celebration of people helping people it is intended to raise public awareness of humanitarian assistance worldwide and the people The World As I See It:

48 of 48 review helpful Don't buy Not what you think it is By Theda I bought this book after reading The World As I See It in a library copy What an unpleasant shock This edition left out the entire final section The Jews In the library edition published by Citadel this section was about 22 pages and it contained some of Einstein's most interesting reflections The title of this abridged abridged Snowball Publish To the majority of people Einstein's theory is a complete mystery Their attitude towards Einstein is like that of Mark Twain towards the writer of a work on mathematics here was a man who had written an entire book of which Mark could not understand a single sentence Einstein therefore is great in the public eye partly because he has made revolutionary discoveries which cannot be translated into the common tongue We stand in proper awe of a man whose thoughts move 'Without the sense of fellowship with men of like mind of preoccupation with the objective the eternally unattainable in the field of art and scientific research life would have seemed to me empty' — Albert Einstein Forum and
